

French Whisky VALLÉE NOIRE

Single Malt

70cl - 43%

Vallée Noire is matured entirely in **Oloroso Sherry casks**. This whisky is therefore characterised by spicy notes and candied fruits that enhance the fruitiness. A gourmet whisky, it combines the richness of the Breton and Spanish terroirs.

This whisky is made from **French barley** and **aged in the Prulho cellars**. This whisky is not chill-filtered and retains its natural colour.

TASTING NOTE

 **VISUAL** : Amber.

 **FLAVOUR** : Intense and elegant. Luscious notes of vanilla and citrus, enhanced by a touch of dried fruit and a hint of menthol.

 **MOUTH** : Balanced and round. Notes of crème brûlée, prunes and grilled almonds.

 **FINAL** : Warm. Slightly vanilla, on sherry and spices.

TASTE EXPERIENCE

Discover the unique taste of this Single Malt by drinking it neat. You can of course drink Vallée Noire neat, but it also shines in a Whiskey Sour.

DID YOU KNOW?

Oloroso Sherry casks, traditionally used for Scotch whisky, have been used to make sherry wine, a close cousin of Pineau des Charentes.
